To Whom It May Concern:

This letter serves as an official letter of recommendation and referral for the Carrier of the Cross Ministry. I have known members of the Carriers since 1997 and have seen them grow exponentially over the course of those years. Eddie Cortez specifically, the lead man of the ministry, is a man of integrity, wisdom and discernment, vision, and faith. Eddie has an unparalleled passion for winning the lost for Jesus through the genre of rap music.

Eddie and Jeremiah are faithful members of their local congregations respectively and have served the youth of their churches well for a number of years. Carriers of the Cross has conducted outreach ministry with Paterson Gospel Church, they have ministered during our worship services and have made themselves available to provide consultation to our church on how to reach young people and Gen-Xers for Christ.

You, like Paterson Gospel Church, will be tremendously blessed by the dynamic multi-cultural, multi-ethnic, and cross-generational ministry of the Carriers of the Cross. The spiritual impact they will impart to your church will be memorable.

Sincerely,

*Yeathus Johnson*

Senior Pastor
